Press Accreditation

The following documents will be accepted for journalistic activities:

1. Valid press pass from a German or international journalist association or specialized journalist association
2. Submission of a subject specific authored article
3. Submission of a subject specific journal imprint with mention of the applicant as editor, editorial staff or author
4. Submission of a written order by an editor
5. Submission of corresponding evidence for a student newspaper or similar

There is no automatic right to accreditation. The organizer reserves the right to verify documents.
